Grandma and her granddaughter were out for a walk one day when Grandma realized they had walked a whole lot farther than their normal walks. She asked her granddaughter, "Do you know where we are?" The girl said, "No!" "Do you know how to get home?" Again, the girl said, "No!" Then Grandma asked, "If you don't know where you are or how to get home, does that mean you're lost?" — The girl said, "No, Grandma! How can I be lost if I'm with you?"
